3. 投稿具体要求

<https://interspeech2022.org/>

3.1 Date

- Paper submission due March 21, 2022
- Paper update due March 28, 2022
- Paper review due May 09, 2022
- Meta-review due May 23, 2022
- Paper notification date June 08, 2022

3.2 投稿注意事项

1. 投稿系统: START V2 system

<https://www.softconf.com/m/interspeech2022/>

2. 双栏4页, 第五页只能是reference

3. 15Mb 大小 PDF

4. 摘要: The abstract length is limited up to 200 words.

5. You can list up to twenty authors in your manuscript. Note that the review process IS NOT double blind. Therefore, the author names need to be present in (all versions of) the manuscript.

6. All manuscripts should be in PDF file.

7. Only updates to the pdf and media files, the title, the abstract, and the LREC resources will be permitted, while updates to the authors and topics cannot be made.

3.3 主题

- Speech Perception, Production and Acquisition
- Phonetics, Phonology, and Prosody
- Analysis of Paralinguistics in Speech and Language
- Speaker and Language Identification
- Analysis of Speech and Audio Signals
- Speech Coding and Enhancement
- Speech Synthesis and Spoken Language Generation
- Speech Recognition - Signal Processing, Acoustic Modeling, Robustness, Adaptation
- Speech Recognition - Architecture, Search, and Linguistic Components
- Speech Recognition - Technologies and Systems for New Applications
- Spoken Dialog Systems and Analysis of Conversation
- Spoken Language Processing - Translation, Information Retrieval, Summarization, Resources and Evaluation
- Speech, Voice, and Hearing Disorders

4. 论文撰写

4.1. Latex工具

1. 在线编辑器 - Overleaf

可以与别人共享文档，进行修改
